Six Hinshaw attorneys contributed three of the five chapters in the 2024 edition of the Illinois Institute for Continuing Legal Education (IICLE) [“Dramshop Act Practice” handbook](#). IICLE is the premier provider of continuing legal education in Illinois. Founded in 1961, the Institute publishes a comprehensive set of handbooks designed by and for Illinois attorneys.

Since dramshop violations can result in legal complications involving various parties, severe injuries, property damage, and inter-state jurisdiction, the handbook offers insights and best practices for any Illinois lawyer who wants to safeguard their client’s interests.

The Hinshaw-authored chapters are as follows:

- **Chapter 3: “Pleadings in Dramshop Cases”** by William F. Cook VI, Matthew Walsh II, and Kate Scolaro
- **Chapter 4: “Investigation and Discovery”** by William F. Cook VI, Cameron Trahey, and Matthew Walsh II
- **Chapter 5: “Trial Practice in Dramshop Cases”** by William F. Cook VI, Jack Shadid, and Liam McGing
