

Vaishali Rao Co-Presents on “Leveraging Relationships for Professional Growth”

Women in Consumer Finance Digital Workshop

Webinar

Apr 17, 2025

Chicago-based partner Vaishali Rao will co-present a Women in Consumer Finance digital workshop titled “Connections to Collaborations: Leveraging Relationships for Professional Growth” on April 17, 2025. Along with Sara Woggerman of ARM Compliance Business Solutions, Rao will illustrate how an event encounter developed into a successful professional collaboration.

The panel will review the following strategies for building professional relationships:

- Identify connections that deserve time and investment
- Challenges that can impede successful networking
- Success stories that illustrate the advantages of leveraging connections

For more information and to register, [visit the Women in Consumer Finance website](#).

The banner features a dark background. On the left, the title 'CONNECTIONS to COLLABORATIONS' is displayed in white, with 'to' in a script font. Below it, a red bar contains the subtitle 'Leveraging Relationships for Professional Growth'. At the bottom left, a calendar icon is followed by 'April 17th' and a clock icon followed by '3-4pm ET'. On the right, a circular photo of two women hugging is surrounded by a red heart and white sparkles. Above the photo, a curved line contains the text 'Free workshop hosted by Vaishali Rao & Sara Woggerman'.
