

When a Cyber Breach Hits: Cybersecurity, Privacy, and Compliance

Considerations You Need to Know

Webinar

Apr 29, 2026

As cyber threats to businesses become more sophisticated and regulatory expectations evolve, it's critical to expect a cybersecurity incident and prepare in advance. Join Hinshaw partner Cathy Mulrow-Peattie and [Laura Lee Flanagan](#), founder and CEO of 3iCO, on April 29, 2026, for a webinar covering practical, real-world guidance to help you plan for and navigate a cybersecurity incident with greater confidence.

Webinar Topics

- The changing cyber threat landscape with global instability and AI.
- Proactive steps and legal policies, controls, and contractual provisions to have in place before an incident.
- Insurance - what will it cover on the other side of the boom?
- Is your Incident Response Plan ready? How to manage customer and media issues post-attack to preserve your business.
- Privilege and how to create proactive defenses to downstream regulatory actions and class action data breach litigation.

CLE Credit

This program is being approved exclusively for attorney CLE credit; all applications are currently pending. Please be aware that CLE credit hours are not guaranteed and may vary from state to state. Additional CLE details will be available soon. No additional continuing education credits will be offered.

For questions regarding CLE, please [contact us](#).
