

Vaishali Rao Explores State Oversight Amid Federal Deregulation at RMAI Webinar

Webinar

Apr 28, 2026

Hinshaw partner Vaishali Rao will present at a Receivables Management Association International (RMAI) webinar titled “State Oversight in an Era of Federal Deregulation,” on April 28, from 9:00 to 10:00 am PDT.

Program Description

State-level oversight of debt buyers is more active than ever. From expanding supervisory examination programs that probe compliance management systems and consumer-facing operations, to state attorneys general pursuing enforcement actions targeting deceptive practices and documentation deficiencies, the state regulatory landscape presents unique challenges.

On the agenda:

- how states are asserting their authority
- what debt buyers and collectors should expect from those efforts, and
- the practical strategies companies can adopt to stay ahead.

Vaishali will be joined on the virtual panel by Chris Asbrock, Data Systems & Migration Lead at Valmar Holdings, and Meghan Stoppel, Of Counsel at Foley & Lardner LLP.

About Receivables Management Association International

Receivables Management Association International is a nonprofit trade association representing more than 600 companies involved in the purchase, sale, and collection of performing and nonperforming receivables in the secondary market. RMAI provides its members with robust networking, educational, and business development opportunities across asset classes spanning numerous industries.

For more information, visit RMAI's website.
