

A Different Kind of CE Program for Long-Term Care Leaders

Event

May 13, 2026

Los Angeles, California

In honor of **National Honor Our LGBT Elders Day**, we invite you on May 13, 2026, to a complimentary, in-person continuing education program hosted at the Los Angeles LGBT Center, designed specifically for **nursing home** and **RCFE owners, directors, and administrators** who want more than theoretical CE content.

This program, co-sponsored by [Alzheimer's Los Angeles](#) and the [Los Angeles LGBT Center](#), is practical, business-focused, and driven by professionals who work directly with long-term care providers and understand the operational, regulatory, staffing, and risk pressures you face every day.

Why Attend?

In addition to earning 3 FREE CE credits, you'll leave with clear, actionable guidance on how to better protect your organization, including:

- How to avoid the most common (and costly) legal and regulatory missteps
- Understanding and meeting the needs of the LGBTQ resident from a care and risk perspective
- Practical strategies for managing memory care and Alzheimer's-related risks
- Proactive approaches for successful resident-focused memory care
- Real-world advice on protecting patient data and reducing cyber exposure
- A better understanding of how legal and industry professionals can support your business proactively – before issues arise
- Inclusive considerations for serving members of the LGBTQ community

Every session is built to answer one essential question:

“What should I be doing differently tomorrow to protect and strengthen my organization?”

If you're looking for CE credits that go beyond checking a box, this program is designed for you.

This event includes a complimentary continental breakfast and lunch, as well as parking.

[Register here to attend](#)

Continuing Education

This program is designed for nursing home and residential care facility for the elderly (RCFE) C-suite executives, administrators, and executive directors.

Attendees may earn up to 3 hours of Nursing Home Administrator (NHAP) and/or RCFE continuing education credit in California by attending this program.
