

# Mitch Chargo Presents on Tribal Cannabis Regulation

At NECANN's Inaugural Cannabis Conference

## Event

May 14-15, 2026

Minnesota Convention Center

Hinshaw partner Mitch Chargo will speak at NECANN's inaugural Cannabis Convention in Minnesota, taking place on May 14-15 at the Minneapolis Convention Center.

Mitch will lead the session "Tribal Cannabis in Minnesota: What Operators Need to Know About Sovereignty, Compacts, and Compliance" on May 14 at 12:00 -12:50 pm CST.

In the session, Mitch will discuss Minnesota's unique cannabis landscape, relating to how Tribal nations are participating in ways that reshape how sovereignty and state regulation interact. He will break down what Tribal sovereignty means in practical business terms, how Minnesota's Tribal-state compact structure works, and where operators most often encounter friction when entering cross-jurisdiction partnerships. The discussion will translate complex legal principles into real-world operational considerations, including site control, contracting, enforcement authority, licensing overlaps, and long-term compliance risk.

## About NECANN

Since 2014, NECANN has produced dynamic, industry-leading conventions that support growth and opportunity across the cannabis sector, bringing together businesses, entrepreneurs, investors, educators, patients, advocates, and consumers. Rather than a one-size-fits-all approach, NECANN designs each event to reflect the unique regulatory environment and conditions of the local markets it serves.
