

Jason Oliveri Presents on Emotionally Intelligent AI Governance in Elder Care

A CLE Health Law Webinar

Webinar

Aug 12, 2026

Hinshaw partner Jason Oliveri will present at a live CLE Health Law webinar, “Emotionally Intelligent AI in Elder Care: Legal and Compliance Governance for Resident-Facing AI” on August 12 from 12:00 – 1:00 PM ET.

Hosted by The Knowledge Group, the session will examine the growing use of artificial intelligence across senior living, assisted living, home care, and other aging services. Jason will focus on resident-facing technologies such as AI companions, conversational tools, and predictive systems, and explain how they differ from traditional software.

Session Learning Outcomes

Participants will be able to:

- Identify key legal and compliance risks associated with resident-facing AI in elder care settings
- Distinguish between clinical and non-clinical AI applications and understand their regulatory implications
- Apply practical governance strategies to address privacy, consent, transparency, and vendor oversight
- Develop effective approaches for implementing, monitoring, and responding to incidents involving AI technologies

This webinar will also be available on demand following the live session.
