About Chris

Christopher is the firm's Chief Financial Officer. He has deep operational experience guiding complex law firm systems, processes, and organizational initiatives. He has led large-scale redesigns, system implementations, merger integrations, and business modeling efforts spanning compensation, profitability, marketing, and operational performance. His work focuses on building the financial insight, infrastructure, and cross-functional alignment the firm needs to support strategic growth and long-term success.

Credentials

Education

Babson College, BS, Entrepreneurial Studies & Management Science

Interests

Did you know...

Using restorative agriculture practices, Chris and his family raise Icelandic sheep, Irish Dexter cattle, chickens, ducks, and turkeys, with plenty of help from their bevy of dogs and cats. He is passionate about creating space for his grandchildren and others to explore and connect with the land.
