

David Alfini and Adam Guetzow Present on Electronic Monitoring Installation Requirements for Assisted Living Facilities

A BARBRI CLE Webinar

Webinar

Oct 15, 2026, 12:00 PM

Hinshaw partners David Alfini and Adam Guetzow will present a BARBRI CLE webinar, “Right to Electronic Monitoring for Nursing Home Residents: Requirements for Installation; Key Benefits and Concerns,” on October 15, 2026, at 12:00 pm CST.

The program will provide a practical overview of authorized electronic monitoring in long-term care facilities, including legal considerations, privacy concerns, and litigation-related issues.

Learning Outcomes

- Review legal and regulatory issues involving long-term care, elder abuse, wrongful death, and liability claims.
- Examine the balance between resident monitoring and privacy rights, including “granny cam” considerations.
- Explore the use of surveillance and video evidence in litigation and claims defense.
- Identify ways to reduce disputes among residents, families, and care providers to help avoid litigation.
