

Michael Adams Presents on Navigating Ethics in the Digital Age

A Fidelity Law Association Lunch & Learn

Webinar

Nov 12, 2026, 12:00 pm CST

Michael Adams will present on the panel, “Navigating Ethics in the Digital Age – Part Two: An Advanced Discussion,” at a Fidelity Law Association Lunch and Learn on November 12, 2026, at 12:00 pm CST.

This webinar builds on Fidelity Law Association’s September program examining the ethical and legal implications of artificial intelligence in claims handling and legal practice. During this advanced discussion, the panel will explore complex issues surrounding the use of AI and offer practical guidance for legal professionals navigating an evolving technological landscape.

Session Topics Include

- Examine advanced issues related to confidentiality, attorney-client privilege, discoverability, informed consent, and professional responsibility
- Explore real-world scenarios, emerging risks, and practical safeguards for the use of AI
- Discuss strategies for protecting sensitive information while maintaining ethical and professional obligations

Whether you attended September’s presentation or are joining the conversation for the first time, we encourage you to register for this timely and informative program.
