

OSHA Public Outreach: Private Employer Survey

less than 1 min read

May 24, 2011

OSHA has announced that it will send a survey to 19,000 private employers to get input concerning workplace safety & health management practices. The goal is to obtain information to help guide future rules, compliance and outreach efforts. As we mentioned earlier this month, the EEOC is also engaging in a public outreach effort to assist reviewing its regulations.

Hinshaw & Culbertson LLP is a U.S.-based law firm with offices nationwide. The firm's national reputation spans the insurance industry, the financial services sector, professional services, and other highly regulated industries. Hinshaw provides holistic legal solutions—from litigation and dispute resolution, and business advisory and transactional services, to regulatory compliance—for clients of all sizes.
