Directions 

Our Fort Lauderdale office provides comprehensive legal counsel to clients from regulatory and consulting matters to full scale litigation representation. We service all aspects of risk management in a wide array of industries, with a focus on insurance, transportation, real estate, labor and employment, and healthcare. Serving clients from its Las Olas Boulevard location, the team possesses a deep knowledge of South Florida's legal environment and risk landscape. We combine preventive legal strategies and significant legal advocacy experience in the region's hospitality, aviation, and marine industries.
