

Jim Keeling Teams Up with Greenlink Energy Solutions to Present a Webinar on Making Solar Projects Cost-Efficient and Timely for Businesses and Higher Education Institutions

Event

May 1, 2024

Rockford-based partner Jim Keeling will co-present a Greenlink Energy Solutions webinar titled “How Churches and Colleges Can Harness the Energy of the Sun and Save Money with Solar,” which will be held on May 1, 2024.

The webinar will cover rooftop solar projects available for churches, universities, and businesses in Illinois, including:

- The long-term benefits, financial savings, and environmental sustainability of rooftop solar installations
- The upfront costs and financing options associated with installing solar
- How federal incentives, such as the Illinois Shines program and the Inflation Reduction Act, can impact the financial feasibility of these projects
- How to effectively communicate solar project advantages to church/university stakeholders
