About John

John maintains a practice ranging from the representation of small and mid-sized companies and their owners to multi-tiered, multistate tax-exempt organizations. He oversees the handling of taxation matters for the firm's clients, being experienced with highly complex corporate, partnership, individual, estate and trust, nonprofit, income, estate and gift, sales, and use tax planning.

Areas of Focus

Industries: Healthcare; Private Equity & Private Fund Formation

Services: Business Formation, Governance & Commercial Contracts; Commercial Finance;
Employee Stock Ownership Plans (ESOPs); Mergers & Acquisitions; Tax

Experience

- Represented the winner of the then-largest lottery in US history (more than \$1 billion), structuring and forming various entities and providing tax-saving advice.
- Negotiated and drafted documents to effect the sale of our client's multi-million dollar home health business to a national concern that was rolling up similar businesses to gain market share and economies of scale.

Recognition

- *Leading Lawyers*, Association & No-Profit Law; Closely and Privately Held Business Law; Tax Law: Business
- Martindale-Hubbell, Distinguished® Peer Review Rating
