Steven M. Puiszis, a Chicago-based Partner at Hinshaw & Culbertson LLP, co-authored the report, “The Economics of Justice,” which was the subject of an article entitled, “Economy suffers when courts lack funding, report says,” which appeared on July 23, 2014, in the *Chicago Daily Law Bulletin*.

“What we tried to do is show the economic harms that have been demonstrated through independent economic studies, but we also talk a little bit about some of these other topics and show there’s a human price to pay when justice can not deliver on a timely basis,” said Mr. Puiszis.
