Law360 released its inaugural results of the “Top 100 Firm for Minority Attorneys” survey today and Hinshaw & Culbertson LLP ranked 80th on the top 100 list of U.S. law firms that were ranked, for the [second year in a row](#). Each firm was ranked based on each firm’s minority representation at the partner and non-partner levels, and also on each firm’s total number of minority attorneys.

According to [Law360’s 2016 Diversity Snapshot](#) of the U.S. law firms surveyed by *Law360*, less than 15 percent of attorneys are minorities, and less than 9 percent are minority partners. Also, at many of the top 100 firms for minority attorneys, minorities make up 15–20 percent of the partnership ranks, as compared with 8.4 percent across all other U.S. firms surveyed by *Law360*.
